DVD's Still Coming Your Way

Bob + Joy Barony

We were forced to postpone the filming of our CrossPower teaching that we had hoped to finish in June. We had several things, including knee surgery for Joy, that required the delay. We are actively working on scheduling new dates as soon as possible for the filming. We still want to do this before a live audience and would love to have you join us! Just let us know and we'll give you the details as soon as they are available. We know that God will supply the need for this vital project. We are constantly being asked for our materials on Freedom at the Cross. We received a desperate call from out of state just days ago and we were reminded of just how important this project is to complete. Please make this an urgent matter of prayer. We want to be as cost effective as possible while providing materials of the highest quality. When finished we will have DVD's of our most important teaching with accompanying study guides.

Home Bible Studies

Very soon we will be scheduling Home Bible Studies for the Fall and Winter. If you know of someone who would benefit from a CrossPower Study, please tell them to contact us for details. God has mightily used these studies and we're excited to begin again!

Joy's Surgery

Joy had successful knee surgery on June 26th. She had two torn meniscus which had been discovered through an MRI. The surprise, however, was a large piece of cartilage floating under the kneecap. The surgeon said it was like walking around with a stone in your shoe. No wonder she was in such pain! She is now in physical therapy and we're trusting God for complete healing.

Odds & Ends

We welcomed our 7th grandchild into the world, May 11th. Hannah Joy Fabich is beautiful! Bob will be going to the Philippines the first week of September with the Bible League. They will be making brief stops in Hong Kong and China as well. We will be scheduling several Marriage Conferences throughout the next 12 months. One could be close to you. Interested? Call us.

It Works!

Recently we heard this as an individual left our home after counseling, "I have been in counseling for years. This is the first time in my life that things are making sense!" Yes, the power of the Cross does make sense!!

We need YOU!

We have always been very mindful of how much we depend on our supporting friends. That has never been more true. Because of God's provision and your faithful prayers and support CrossPower has touched thousands of lives. We feel that we have just begun. When so many ministries are cutting back—we feel a desperate need to expand. We can't do that without you! There are so many ways to help. Monthly support, no matter the size, is desperately needed. Due to the economy, we have lost approximately 40% of our monthly support. Would you consider \$10, \$20, \$30 or \$50 a month? Small amounts make an incredible difference when multiplied. How about the donation of stocks, assets or even vehicles? One time gifts are always greatly appreciated. The summer is the most difficult time of year for CrossPower. For those of you already in our supporting family—thank you!!! You mean more to us than we can possibly communicate. If you are not currently a part of our monthly support family, would you please pray about becoming a part of the team?

CrossPower has many ministries to offer to your local church. Have your Pastor contact us for a free Pastor's Information Packet.

Don't forget, Victorious Living Today airs at 5:30p.m. each Sunday evening on WRFD AM 880. Not in the area? Listen on the web at www.wrfd.com
